How long have you been in business? Andy's Catering was owned by Tom's father from the 1970s. It was sold in the late 1990s and Tom and I got it back in 2006. LT's Grill opened February 2007.

Describe your business: LT's Grill is a family restaurant with a great atmosphere and food at a great deal. We offer everything from ribs to chicken to fresh steaks and seafood. There are plenty of salads and dinner specials with great choices for the kids. Andy's Catering does it all: from back yard picnics to sit down weddings, corporate lunches to small office parties.

What sets you apart from competitors? We do it right. Great price, great service, unbeatable portions, a clean place, unique dishes, plus the owners are on site all the time to make sure everything is right for you.

Not just the restaurant, but at each event. Family is the most important thing to the both of us.

What advice would you give to others wanting to pursue a similar career? Make sure you have support from family and friends. Work with each employee, as they are the ones who represent you. Make sure they are talking to each customer as if they were a part of your family.

What important lessons have you learned? Long hours and the strength of a great partner. Tom and I have been friends for over 30 years. We will be best friends for the next 100 years. We are here to serve the people that we do business for. That is what we do best.

Hours: Monday 11am- 2pm, Tuesday-Friday 11am-9pm. Catering is available 24/7 and we deliver.
